Executive Director
ARIZONA CORPORTION COMMISSION
1300 W. Washington

Arizona Corporation Commission
DOCKETED
AUG 03 2007

Dear Mr. McNeil:

I am a participant in the **Agra Technologies Inc.'s** Ore Rights and Mining Project.

I have already signed the **Petition of Demand to Vacate**, but I personally wanted to write to you. I understand and appreciate your position to protect the public against fraudulent claims of "quick riches".

I have never once considered this project to be fraudulent. I have never once considered Bill Pierson to be fraudulent or Larry Paille or Jerry Hodges. Yes, I've been thwarted and even presented with some difficult times due to the lengthy turn-around period. In my view, this has been caused mostly by the Arizona Corporation Commission and not by Agra Technologies, Inc.

Please do your job, Mr. McNeil, examine the issues carefully and realize who is at fault for hurting the public.

Thank you for all your hard work.

With appreciation,

Taylor Bates
